# Portable Houses

**Chesebro, Whitman Co.**

(INCORPORATED)

**East 64th St., cor. First Ave., - New York**

**Telephone No. 35 Plaza**

**BRONX BRANCH**

**Cor. Freeman & Boone Sts.**

**Near Westchester Ave. & Bronx River**

**Telephone No. 2218 Melrose**

**Size, 10 x 15 ft.**

**Price, \$175.00.**

This is a practical Portable Office, has a plate glass window 5 x 5 ft. as shown in picture, with two  $2\frac{1}{2}$  x  $3\frac{1}{2}$  ft. windows in the back.

Of the same construction as our living-houses.

Price of any size upon application.

## **PORTABLE HOUSE**

**(See illustration on front page)**

**Size, 10 x 12 ft.**

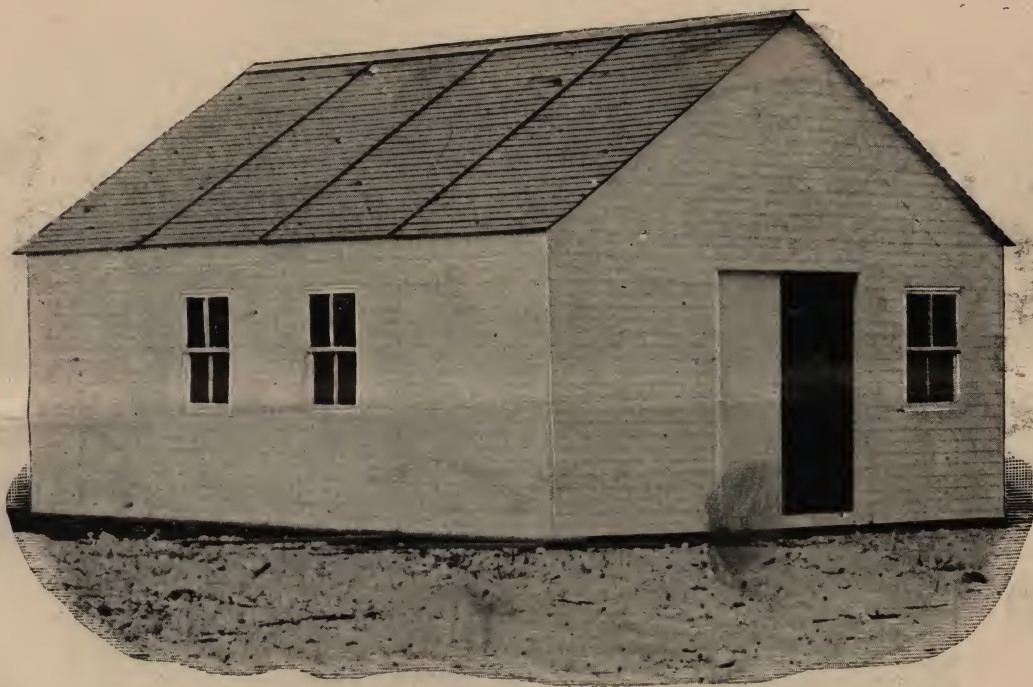

Suitable for a Small Camping House or a Real Estate Office.

This style can be enlarged by building additional sections.

### **PRICES**

10 x 12 ft., \$125.00	12 x 12 ft., \$150.00
10 x 24 ft., 230.00	12 x 24 ft., 275.00
10 x 36 ft., 350.00	12 x 36 ft., 400.00

Cut represents a Portable House 18 x 24 ft.; easily taken apart and set up.

**Net Price, \$350.00**

This house is suitable for a Boat-Club House. The doors and windows can be arranged to suit the purpose for which the house is to be used.

Of the same construction as our living houses.

### TOOL HOUSE

One window, rough floor.

**Size, 6 x 8 ft. Net Price, \$30.00**

All our contractors' houses are made of white pine partitions, tonged and grooved and centre-beaded; put together with bolts—can easily be taken apart and shipped. All windows covered with wire netting.

This cut represents a Portable Garage, 10 x 15 ft.; easily taken apart and set up.

**Net Price, \$150.00**

Garages are of the same construction as our living-houses, except that the side walls are not lined with the Neponset roofing.

**OFFICE AND TOOL HOUSE  
COMBINED**

**Net Prices**

8 x 12, \$ 65.00	10 x 12, \$ 90.00

6 x 9,	35.00	9 x 12,	53.00
6 x 12,	43.00	9 x 15,	63.00
6 x 15,	51.00		

Prices of other sizes upon application

## FLAG POLES

All sizes, from 10 to 150 feet, furnished and set in any part of the country, complete with weather vanes or other equipments.

These ladders are made of the best seasoned Spruce or Oregon Pine sides, with white Ash or Oak rounds, and furnished with our most improved Chesebro locks.

**We make a specialty of Fire Ladder work.**

Chesebro Extension Ladder....**30c.** per ft.

Common Extension (no rope)....**25c.** per ft.

## STEP LADDERS

The **MANHATTAN** Painters' Step Ladder is designed to meet the demand for a high-class ladder for painters' use. The stock is of the best grade of Spruce, and they are well put together with improved hinges and step braces.

Size 5 to 10 ft. .... **35c.** per ft.

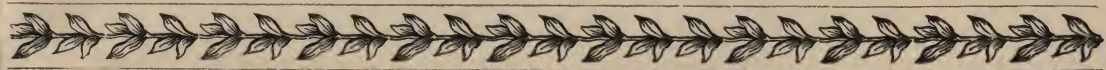

The "Hub" Step Ladder is the best light ladder for office and store use to be had ; sides of hard wood and put together with screws.

2 to 11 ft. in length.....**30c.** per ft.

12 to 18 ft. in length.....**45c.** per ft.

20 ft. in length.....**50c.** per ft.

**A**LL OF our living-houses are built of a good quality white pine, milled to resemble clap-boards laid over Neponset water-proof roofing, making an absolutely water and wind-tight building. For the frames we use a good grade of spruce, planed on all sides;—spruce is much better for framing than the cheaper yellow pine.

We use regular paneled out-side doors.

Windows slide up and down in the regular way.

All houses are painted two coats before leaving our shop. Unless some particular color is desired, we paint the body of house white, with green trimming and green roof.

All of our houses are built in sections six feet long or wide wherever practicable, as this makes the sections easier to handle.

All sections are fitted, and bolt together.

We can build any size house desired up to twenty feet wide and of any length.

## **STABILITY OF HOUSES**

We have erected our houses on the most exposed points on the Atlantic coast, where they have withstood the severest gales.

**PIAZZAS, EXTRA 50c. PER SQUARE FT.**
